Practice Exams

NB: All P4 Students are required to take the Pre-NAPLEX exam before attempting the NAPLEX. In early January, all SCCP P4 students will be provided a voucher that will allow each student to take the PreNAPLEX practice exam one time; students will be required to take the PreNAPLEX and return a copy of their score sheet to the College. More information will be provided in the near future. The College of Pharmacy will pay for the vouchers. More information will be provided by the South Carolina College of Pharmacy in the near future regarding the pre-NAPLEX.

The NABP offers a Pre-NAPLEX exam, which is based on questions from the past years. It is a 100-question, **70-minute** practice examination and costs \$65 each time. You must complete the test in its entirety once you begin, and you will not be able to review questions or change an answer once you confirm an answer choice. SCCP provides a free pass to all students taking it the first time, although the Pre-NAPLEX may only be taken up to two times.

NAPLEX Overview

The NAPLEX is a six-hour, 250 question computer-based examination. Of the 250 questions, 200 will be used to calculate the test score. The remaining 50 questions are pretest items and will not count toward the NAPLEX score. Pretest questions are included on all NAPLEX examinations and cannot be identified by the candidate. The majority of the questions on the NAPLEX are scenarios, based on patient profiles provided with some stand-alone questions as well. **The passing score reported is NOT a percentage value.**

Competency is assessed in 2 different areas:

- Ensure Safe and Effective Pharmacotherapy and Health Outcomes (approximately 67%)
- Safe and Accurate Preparation, Compounding, Dispensing, and Administration of Medications and Provision of Health Care Products (approximately 33%)

The minimum acceptable **passing score on the NAPLEX scale is 75**, with a minimum score of 0 and a maximum score of 150.

NAPLEX Fee: \$575

[NAPLEX - National Association of Boards of Pharmacy® \(NABP®\)](http://www.nabp.org)

The MPJE is a two-and-a-half-hour, 120 question computer-based examination of State and Federal Law. Of the 120 multiple choice questions, 100 are operational and will be used to calculate the score. The remaining 20 questions are pretest items and will not count toward the MPJE score. Pretest questions are included on all MPJE examinations and cannot be identified by the candidate. No distinction is made between federal and state jurisprudence questions. Each question is answered in terms of the prevailing laws of the state in which you are seeking licensure. **The passing scaled score for MPJE is 75.** The minimum scaled score is a 0, with a maximum of 100.

Competency is assessed in 3 different areas:

- Pharmacy Practice (approximately 83%)
- Licensure, Registration, Certification, and Operational Requirements (15%)
- General Regulatory Processes (2%)

MPJE Fee: \$250
