South Carolina Pharmacy Intern

Out-of-State Affidavit of Practical Experience Requirements

This form provides specific instructions regarding the submission of intern hours that have been earned within a state other than South Carolina. Please read the following carefully to determine proper processing and approval of earned hours.

- Intern hours must be obtained in a retail or institutional pharmacy.

- If intern hours WERE reported to another state Board of Pharmacy:
  
  • Request that the state Board of Pharmacy send verification of those intern hours to the South Carolina Board of Pharmacy at the address above.

- If intern hours WERE NOT reported to another state Board of Pharmacy:

  Then the Pharmacist-in-charge (PIC) of the pharmacy in which you worked must submit a notarized letter on a company letterhead that verifies the total number of intern hours obtained and should contain the following information:

  ➢ Verifying Pharmacist’s name and license number
  ➢ Name of the pharmacy, address and permit/license number.
  ➢ Submit a copy of current facility(s) permit/license.
  ➢ Submit a copy of verifying pharmacist’s current license.

All documents should be mailed or faxed to the address listed at the above address at the top of this form.
